Hunting is open to members, subscribers, and resident landowners by invitation only. A fixture card is an invitation to hunt. Guests are welcome and hill topping at all meets.

For more information, contact the Masters or the Honorary Secretary by calling or emailing rappahannockhuntsecretary@gmail.com. Capping fees and directions are on the website. Please call the Hunt Monitor for start times and updates.

Juniors must be accompanied by an adult at all times.

If a rider breaks a fence or a barway pole, temporary repairs must be made at once and damage reported to the Masters, Hon. Secretary or member of the staff. Landowners and farmers, please report any damage as soon as possible. The Hunt will repair the damage. We appreciate that hunting is made possible by the kindness and generosity of landowners and farmers.
