HUNT MONITOR (Message)	540-987-8957
Hunting is open to members, subscribers, and resident landowners by invitation only. A fixture card is an invitation to hunt. Guests are welcome and there is hill topping at all meets.	
For more information, contact the Masters or the Honorary Secretary by calling or emailing rappahannockhuntsecretary@gmail.com . Capping fees and directions are on the website. Please call the Hunt Monitor for start times and updates.	
Juniors must be accompanied by an adult at all times.	
If a rider breaks a fence or a barway pole, temporary repairs must be made at once and damage reported to the Masters, Hon. Secretary or member of the staff. Landowners and farmers, please report any damage as soon as possible. The Hunt will repair the damage. We appreciate that hunting is made possible by the kindness and generosity of landowners and farmers.	
CURRENT NEGATIVE COGGINS, SIGNED WAIVER, AND HUNTING LICENSE ARE REQUIRED TO HUNT

Puppy Auction

After an exceptionally warm fall, winter will be coming to the Rappahannock Hunt territory.

Hints for staying warm on winter hunting days:

- Dress in layers—you can always shed some
- Lotion on exposed skin—men and women
- Bring along the hand warmers or electric socks
- Ear muffs
- Neck gaiter
- Good gloves

Please share any tips that have kept you warm during cold winter days.

Our Puppy Auction is now on the website www.rappahannockhunt.com and will have a link through the Rappahannock Hunt facebook.

Please take this opportunity to invest in the hounds of our hunt and bid often.

Also, there is a very important opportunity to donate to the tracking collar fund. We need to replace some of the tracking collars that have worn out and are no longer repairable. These collars are extremely important to the welfare of the hounds, including whichever puppy you bid on. The collars cost approximately \$350 each and we need at least 10 more collars for a start.

We will keep you updated on the status of the puppies.
