HUNT MONITOR (Message)	540-987-8957

Hunting is open to members, subscribers, and resident landowners by invitation only. A fixture card is an invitation to hunt. Guests are welcome and a hill topping field will be at all meets. For more information, contact the Masters or the Honorary Secretary by calling or emailing

rappahannockhuntsecretary@gmail.com. Capping fees and directions are on the website. Please call the Hunt Monitor for start times and updates.

If a rider breaks a fence or a barway pole, temporary repairs must be made at once and damage reported to the Masters, Hon. Secretary or member of the staff. Landowners and farmers, please report any damage as soon as possible. The Hunt will repair the damage. We appreciate that hunting is made possible by the kindness and generosity of landowners and farmers.

**CURRENT NEGATIVE COGGINS, SIGNED WAIVER, AND
HUNTING LICENSE ARE REQUIRED TO HUNT**
