

THE RAPP SHEET

December, 2020

Tiz the season to be thankful.

We as foxhunters have much to be thankful for.

Participation in our sport is able to go on throughout the Covid 19 pandemic.

First and foremost, thanks to our gracious landowners, through them, we are able to enjoy stunning views and wonderful territory to hunt. We appreciate their sharing their land with us to enjoy our sport.

Thanks to our horses for carrying us wherever the hounds may lead.

Thanks to the hounds for working so hard to hunt up game and then providing us with beautiful music as they run the line.

Thanks to all of the invaluable volunteers who do so much for our hunt. Their willingness to work so hard helps to keep the hunt afloat.

Thanks to the masters, hunt committee, huntsman and whippers-in for helping to provide leadership and good sport.

Thanks to everyone who suggests ideas to help the hunt get through unusual circumstances. We continue to have some social outlets, such as on-line activities, distanced and safe sharing after every hunt.

Don't hesitate to bring your ideas to the masters or hunt committee. They will appreciate the input.

Most of all, thank you landowners!!!

Thank you all
Enjoy the Holidays

Huntsman Christmas Cap

Traditionally we hunt members give a Christmas Cap to our Huntsman, as a thank you for all of the hard work he does with the hounds and taking care of the territory maintenance. There will be a Christmas bag on the Hunt table at meets for your cap or you can mail a personal card to him.

Guess the Fixture

Thank you so much to this landowner who opens his farm to us on a regular basis.

If you know the fixture, please be sure to thank the landowner personally for his generosity.

Thank you to everyone who provides pictures and/or videos on facebook. Everyone enjoys scrolling through the pictures and reliving the highlights of that day. We appreciate you remaining cognizant of public perception during this time.

If anyone has GPS technology, it might be fun to track our movements during a hunt along with how far we go. Let me know if anyone would be interested. bartonhitchcock@gmail.com
